2. Results Page

An interactive touch graph appears with your keyword centered (2.0). The search term appears at the top of the page (2.6). To the right a set of results appear showing a thumbnail of the resource (2.3), the resource locator (2.4) as well as other relevant data as available (2.5). Clicking on a link (2.1) will open a modal dialog to display the details (see 4). A user can start over by clicking the "Start Over" button.
